City, citizen seek way around state alcohol laws

By JEFF BROWN

BELLE GLADE — The Belle Glade City Commission authorized City Attorney John E. Baker to draw up ordinances permitting package stores to sell beer for consumption on the premises.

The commissioners asked Baker to look into the possibility of creating the new alcoholic zone when Larry Simmons, owner of Larry's Package Store on SE Avenue B, requested his Alcoholic Beverage Zoning be changed from Area C to Area A.

Area C permits the sale of alcoholic beverages only by the package. Area A permits the sale of alcoholic beverages for consumption or by the package.

Neither of the possible zoning changes were appropriate, according to Baker, since Simmons was requesting permission to sell beer for consumption and not wine or liquor.

Each of the zoning areas provided in the code permitted either the sale of beer and wine or all alcoholic beverages.

Baker said he would check with state authorities to determine if a city zone permitting the sale of liquor by package and beer for consumption would conflict with state law.

Simmons told the commissioners that he was not interested in selling beer for consumption at his store, but needed the zoning in order to be able to sell draft beer in separated containers.

"He would not be permitted by state law to

crack a keg and sell its contents in smaller quantities without a state license for consumption on the premises.

Describing his situation as a "catch 22," Simmons said his city alcoholic beverage zoning did not permit him to hold a consumption on the premises license.

"In order to sell kegs of beer on a one on one basis, you need a consumption on premises license," said Simmons, explaining that a COP license is not necessary for selling whole, untapped kegs.

"I don't serve on premise," he said. "There is no consumption, I don't want any consumption, on the premise."

Simmons said he first got the idea of selling draft beer at his store when he was traveling in Bay County.

Several stores in the area sold beer in that manner, and were prevented by local ordinances from allowing consumption on the premises, he said.

"If they (Bay County) can do it, I can do it," said Baker.

Commissioners William Goodlett and Claude Tindall and Mayor Thomas L. Altman said they would have no objections on a new alcoholic beverage area.

"I aint got no objections, but I aint gonna vote for it," said George Goforth.

Glades General adds doctors

BELLE GLADE — Glades General Hospital...The Caring Place is the slogan for Glades General and a bright red and white bumper sticker carrying the slogan can be found on most employees' cars and buildings around Glades General Hospital.

Whoever created that slogan might as well go back to the drawing board and create another slogan encompassing the idea...Glades General...The Caring and Growing Place.

Within the past year, the local hospital has spent thousands of dollars renovating the place at least five physicians and specialists have been added to the staff.

With the opening of the New Birth Center at Glades General even more doctors will be added to the staff.

A recent visit with new physicians in the Professional Center at Glades General revealed

plans for the addition of a Critical Care Unit at the hospital.

Doctors C. Venugopal, M.D. and Jaimy Bensim on, M.D. are two of the four new physicians with offices in the Professional Center. Both doctors are board certified in Internal Medicine and Cardiology at Glades General Hospital.

Dr. Venugopal will head the unit after its completion. He feels with addition of the critical Care Unit to the second floor of the hospital and its use in the assessment and treatment of cardiovascular disease, many lives will be saved.

The closest Critical Care Unit to the Glades area is forty five miles.

Plans for the center feature the most sophisticated equipment in any hospital in South Florida, according to Felicia Robinson, Glades General Public Relations Director. She

Bafalis would 4-lane state road 80?

BELLE GLADE — Glades residents could be driving on a four lane State Road 80 before long if a new governor is elected for Florida.

Bob Jones, chairman of the Canal Hazard and Safety Committee said Skip Bafalis, Republican candidate for governor said during a recent trip to Belle Glade, if he's elected he will four lane State Road 80.

According to members of the Canal Hazard Committee members, many politicians have said they would have State Road 80 four laned if elected, but none have given a plan on how they plan to finance the project.

Jones said a number of highway sections in Belle Glade and Pahokee will be resurfaced by Ranger Construction Company within the next six months.

Jones said he received a letter from Ranger stating U.S. 27 from a point south of Road 877

northerly 2.89 miles to divided highway south of South Bay is included in the resurfacing project.

Also to be resurfaced, U.S. 441 from Ave. E in Belle Glade easterly 9.08 miles to Nine Mile Bend and S.R. 715 in the city of Belle Glade in Palm Beach County beginning approximately 338 feet north of S.R. 80 and extending to the Chosen Bridge.

In other business before the Committee: Committee member Marvin Unwin said 27 teenagers will be bicycling from Miami to Washington, D.C., on behalf of "Save the Children", a national organization concerned with the vaccination of children for childhood diseases.

Unwin said the youth will be riding through Belle Glade on Thursday, July 22.

Glades native wins Open

Calvin Peete, one of the few blacks who plays the American professional golf tour

won the Greater Milwaukee Open Sunday. It was Peete's

second at the Tuckaway Country Club.

Formerly a resident of the Glades, presently living in Ft. Myers Beach, Peete won the 1979 Milwaukee tournament.

Prior to Sunday's victory Peete said it had been a frustrating year. "I have been playing well all year, I had expected to win earlier. It's been frustrating playing so well and not winning. That's the tough part of the tour," he said.

Next to the last hole Sunday Peete hit a birdie to win the tournament. His 3-under-par 69 gave him a 72-hole total of 272, 14 under-par for four trips

around the 7,010 yard Tuckaway Country Club layout.

For his victory Peete won \$45,000. In 1979, he won \$39,000.

Following the tournament, Peete said "Today was the toughest I've been on tour. I felt more pressure than went I went through my third PGA qualifying school in 1975."

"I played super, but had to work hard for it. There were so many good players behind me. I couldn't afford any lapse in concentration. It would have cost me," he said.

Since Peete first picked up his first set of golf clubs at age 23 he has earned more than

\$500,000 playing the game.

Peete has been aiming high ever since he made it out of Pahokee, where he grew up. In 1981 he was 43 on the money list with \$92,243.

said MK 100 Ultrasound System was recently added to the diagnostic devices at the hospital. Ultrasound is a diagnostic device which uses sound waves to produce images. "Its advantage over x-rays is that there is no radiation exposure," said Ms. Robinson.

Dr. Venugopal states that with recent developments in ultrasound with the use of echocardiography many types of cardiac disease can be detected. He further explains that this is a most pleasant test to undergo and, in some cases, could prevent exploratory surgery. This is the only non-invasive procedure that can produce an image of the heart and its moving parts, according to Dr. Venugopal.

A graduate of Tiruvandrum Medical College in India, D. Venugopal is a diplomate with the American Board of Internal Medicine. Before moving to Belle Glade, he served as a senior fellow in Cardiology at Deborah Heart and Lung Center in Bristonville, NJ. He completed his residency in Internal Medicine at Jersey City Medical Center. Dr. Venugopal, M.D. is married and the father of one child. His wife Sushama Venugopal, M.D. is a Pediatrician.

Dr. Jaimy Bensimon is a graduate of the University of Montreal, Faculty of Medicine. A staff member of the Cardiology Service at Notre Dame Hospital, Dr. Bensimon completed his internship at Montreal General Hospital.

BELLE GLADE - The Belle Glade City Commission, Monday July 12, approved the annexation of a motel on SR 80 into the city limits, and sent a resolution to the county commission requesting that the land be rezoned.

The Sunland Motel, located at 1080 South Main Street and owned by Edward and Katherine Lutfey, is currently zoned agricultural. The city is requesting that the county change that zoning to B-2 restricted business.

The Lutfey's had petitioned the city to annex the property into the city.

The city commissioners also several citizens to commission.

August Kirchman and Timothy Rumph were reappointed to the Planning and Zoning Board

Man arrested in drug crackdown

BELLE GLADE - A 19-year-old Belle Glade man was arrested Wednesday, July 7, for possession of narcotics as a result of a drug investigation conducted by the Belle Glade Police Department.

Timothy Patrick Lennon, 19, was arrested and charged with possession of marijuana and possession of methamphetamine (qualudes) as a result of a search of his apartment, according to Detective John R. Carney.

He is in Palm Beach County Jail under \$1,000 bond.

"The investigation is a result of a crackdown of the narcotic activities in the city of Belle Glade by Chief D. Bill Mathis of the Belle Glade Police Department," according to a written statement prepared by Carney. "Similar investigations are presently underway and more arrests are expected."

for two-year terms.

Harold T. Yancey and Cecil Bair, elected earlier to the Municipal Firemen's Pension Tytest Board by the Fire Department, had their selection ratified by the commissioners, and the commissioners also approved the appointment of W.H. Shoemaker to the board as the citizen representative.

Rupert Mock, Jr., George W. Farnall and Michael R. Miller were reappointed to the Municipal Police Officers Retirement Board.

Mayor Thomas L. Altman reappointed Louis Kirchman to the Housing Authority Board.

Decisions on vacancies on the Citizens Planning Advisory Committee and the Civil Service Board were postponed.

In other business,

• City Manager Rofte Wagner told the commissioners that cleaning the easements in the southwest section of the city was "in excess of 50 percent completed," and that he expected the easements to be totally cleaned in the near future.

• He also informed the commission that Briley, Wild and Associates had discovered that the cost of one system in the water treatment plant now in the planning stages will probably run \$300,000 over the estimated cost.

• A budget session was scheduled for Saturday, July 24.

• The city commission also voted to advertise for bids for an asphalt roller.

Commissioners in attendance were Charles Goodlett, George Goforth and Claude Tindall and Mayor Thomas L. Altman.

Qualifying starts tomorrow

BELLE GLADE -- holds the group two at large seat.

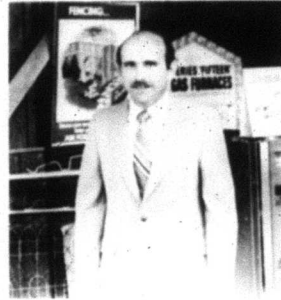

Altman has been of office since 1974 and Goodlett is completing his first term having been elected in 1980.

Prior to that time, he was police chief.

The final date to qualify for the election is August 25.

The election will be held September 14, with any necessary runoff scheduled for September 21.

Voters who want to vote in that election must register by August 14.

SEARS of Belle Glade has appointed Tom Beogles as their new manager.

Texas humorist hired for banquet

BELLE GLADE - The Belle Glade Chamber of Commerce has hired a speaker, another humorist from Texas, for its annual awards banquet in October.

W.C. Newberry, who claims to live in a barn between Martindale and Staples, Texas, bills himself as the "Sage of Southwest Texas."

He has spoken in 41 states and delivered over 1,000 speeches "to all types of audiences: athletic, awake, dozing, semi-conscious and unconscious," according to a fact-sheet.

He claims to have been a rat poisoner, a grave digger and tree-top cutter and to be publisher of a monthly newsletter, "The Newberry Journal."

Last year was the first time the Belle Glade Chamber of Commerce had hired a speaker for the annual event. That speaker was also a Texas humorist: Bob Murphy of Nagadoches.

James Jacks, chamber president, said Newberry was recommended by Murphy.

Perspective

City's efforts commendable

The Belle Glade City Commission, working through its attorney, John E. Baker, is attempting to find a way to allow a local business man to sell draft beer at his package store.

State laws appear to be the only thing standing in their way, right not.

We commend the city's efforts and think they are appropriate.

Most laws regarding the sale and consumption of alcoholic beverages are unreasonable. This is one of those cases. The state will not permit the sale of draft beer without a consumption on premises license because the tapped keg represents an unsealed container.

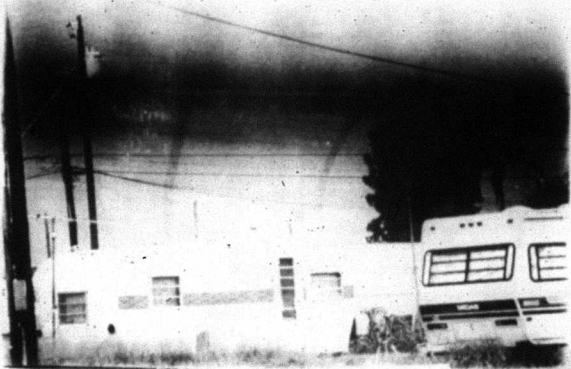

On the other hand, individuals of legal

age may enter any supermarket or convenience store and purchase a single can or bottle of beer, breaking a six-pack.

A tapped keg of beer, stored under pressure and refrigeration, is no different than a split six-pack.

In this instance, the laws are even more ludicrous because the state is requiring that the business be licensed for consumption on premises, even though he does not intend to sell the beer for consumption on the premise.

We believe the state should reform its laws concerning consumption and sale of alcoholic beverages and we applaud the city commission's actions to get around the road blocks set up by the state.

TWO FUNNEL CLOUDS sighted Monday Pahokee were part of a rain storm, over the lake between Belle Glade and

Honesty IS the best policy

The Belle Glade City Commission Monday, June 12, had an opportunity to purchase an asphalt roller for the low price of \$3,100.

The commissioners passed this opportunity up, for the moment, because the city had not advertised for bids on the machinery.

It voted instead to advertise for bids, as required by the city charter.

Other prices the city manager had acquired on similar equipment were almost \$2,000 over that price.

It would have been a simple matter for the city commissioners to vote to purchase the roller on an emergency purchase plan, thus avoiding the bidding process and possibly saving the city some money.

They decided, wisely, we believe, to follow the rules and advertise for bids.

Lawmakers should follow the laws they make, and it is refreshing to see that done, especially with revelations and allegations almost daily concerning the lack of ethics of many government leaders in the country.

A Greyhound bus loaded with 37 West Indian laborers enroute to Miami overturned in a roadside ditch on U.S. 27 three miles east of Clewiston.

There were no fatalities in the accident and only four men were injured seriously. Rain was falling and the road was posted as slippery when wet.

Combined resources of the three financial institutions reflected a local economy at an all time high with a grand total of \$34.7 million in assets.

The actual deposits for the three institutions, according to reports, reflected an increase of more than \$7 million over the previous.

Growth periods, were recorded for Everglades Federal Savings and Loan Association, the Bank of Pahokee and the Bank of Belle Glade. The Belle Glade Junior Chamber Commerce announced, a public forum to be held to

discuss the straw vote on the proposed consolidation of the Pahokee and Belle Glade hospitals.

The Joycees planned to have two panels, one taking each side of the consolidation issue in order to give the public a better idea of what was involved in the consolidation.

The forum was planned for July 28. The straw vote was to be held on Aug. 21.

Glades farms, according to the chief engineer for the Central and South Florida Flood Control District were facing the worst flooding in history.

Lamar Johnson told members of the Belle Glade Lions Club that rapid development of the Glades over the previous few years had resulted in a pumping of water into the North New River Canal that was three times its capacity.

Johnson said a survey had been completed for the canal which was

representative of other canals in the area.

Johnson told the Lions he had made one marked advancement after his many years of engineering in the Glades. He had learned to wear a shirt.

Cpl. Kenneth H. Bass was missing in action in Korea, according to a telegram delivered to his parents, Mr. and Mrs. J. Avery Bass of Belle Glade.

Bass was a tail gunner on a bomber and failed to return from his 13th mission over Korea. He had been in the area since the previous Easter.

The Silver Star, the third highest award made by the Army, was presented to Cpl. Joseph Harper of Belle Glade.

The presentation, for outstanding gallantry in combat in Korea, was made before the Lion's Club during its regular meeting by Maj. George P. Armstrong, an instructor at the West Palm Beach Military Sub District.

The medal was awarded for Harper's actions while leading two squads during an attack on Hill 281 near

Chunges-re.

The Belle Glade Defense Council accepted the responsibility of organizing car pool clubs in an effort to save gasoline and tires.

The clubs were meant to qualify local residents for supplemental work transportation gasoline ration.

Al Kirchman was appointed chairman of the transportation conservation subdivision to undertake the organization of clubs in line with Administration.

In related story, farmers were told they would get less gas during the coming year for their trucks and they'd have to register to get that.

Everybody who owned a car or truck had been guilty of riding around the block when they could easily walked to save gas and tires.

OPA officials also said new tires were a thing of the past and more walking would be required.

Reagan's offer deserves scrutiny

President Ronald Reagan's offer to send 1,000 Marines to help evacuate Palestine Liberation Organization guerrillas from Beirut is receiving the thorough scrutiny it deserves by the public and those on Capitol Hill.

Questions concerning the offer and the President's motives are not coming from just the Democratic side of the aisle, either.

Howard Baker, the Republican Senator from Tennessee, was quoted as saying he found "very little support" for the offer among his constituents.

He also said he hopes that the troops would not be sent.

Americans have every right to be apprehensive concerning such "offers" of assistance.

In the not too distant past, one offer of aid in the form of advisors escalated into an armed conflict that divided the nation for years when people began to ask the question "Why?"

It is better to ask questions before Americans are losing their lives on foreign soil than after.

Delegates to attend convention

BELLE GLADE—Approximately 150 delegates from Belle Glade will be traveling to Hollywood to attend a Jehovah's Witnesses convention later this month according to Stanley Wigle, a spokesman for the Jehovah's Witnesses. The Hollywood convention is one of 104 con-

ventions which are to be held in 68 cities throughout the United States this summer. Six conventions are to be held in four Florida cities. Wigle said they will be held in Hollywood and Tampa and one each in the cities of Jacksonville and Tallahassee.

According to Wigle an attendance of 26,500 is expected in the two conventions which are to be held at the Hollywood and Tampa Convention Center.

The theme for the conventions will be Kingdom Truths.

A proposed Belle Glade city ordinance designed to collect fees for occupational licenses, and the accompanying goal of curbing gambling devices, hucksters and fly-by-night storekeepers was discussed at the Pahokee Rotary Club. Members of the Pahokee City Council were present at the meeting and expressed interest in adopting a

similar ordinance there. Rotarians complained that Pahokee's ordinance called for higher fees for a year-round, established merchants than for medicine shows, shooting galleries and skating rinks. The question of payment of salaries to General Manager A.W. Young and other officials of the Everglades Drainage District was expected to go to the U.S. Supreme Court. The district was maintaining a payroll including a general manager and several other employees. The payroll totalled \$3,000 a month.

The state treasurer was the ex-officio treasurer of the district and had been ordered

by a federal judge not to pay any employees unless to pay principal and interest on financing bonds. Buying power in the Glades was higher than ever, judging from deposits at the Bank of Canal Point, the Bank of Pahokee and the Post Office at Canal Point.

The deposits at the Bank of Pahokee totalled \$304,101 compared to \$267,000 in 1930 and \$360,000 in 1931. In Canal Point, bank deposits were in the amount of \$18,399 and postal deposits were \$42,205.

Up, up and away ultra-lights

PAHOKEE - About 100 ultra-light aircraft used Pahokee Airport as a stop-over Saturday during the first Everglades race.

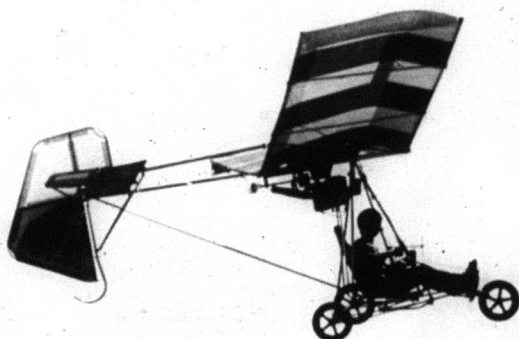

The aircraft were racing from Stuart to Fort Myers, a distance of about 150 miles.

The speed of the one man aircraft ranges from 30 to 55 miles per hour, according to one of the pilots, Grover Bell of Coconut Grove.

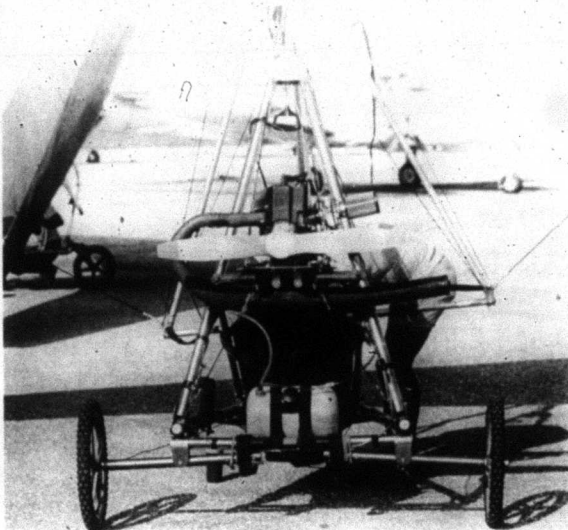

Their ceiling was 1,500 Saturday due to the flight paths of larger aircraft, he said, but added that the ultra-lights can attain heights of 10,000 feet.

The pilots are strapped into an open seat on the machines and guide the vehicles with foot and hand controls.

The machines run on a mixture of gasoline and oil.

ULTRA LIGHTS flew into Pahokee Airport Saturday as part of a race across the state.

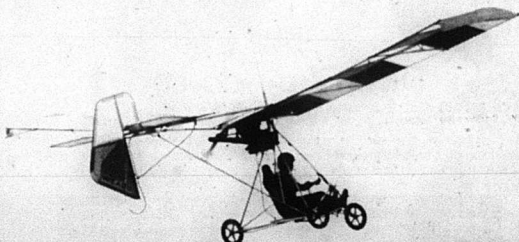

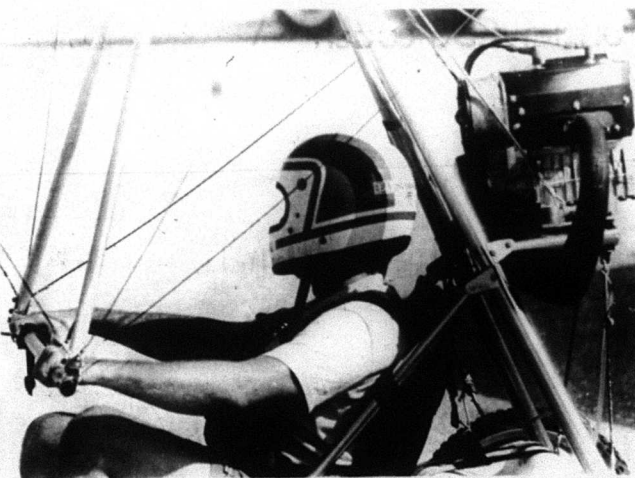

GOVER BELL checks out his machine before taking off on the next leg.

A Division

Okeelanta crushes Mace Sod

By JEFF BROWN

BELLE GLADE - Mace Sod had a rough night Tuesday, July 6.

It lost two games, one by the 12 run rule, to Glades Sugar and Okeelanta.

The Glades Sugar victory put it solidly back in to first, where it had been virtually tied with Mace Sod.

With two victories and one loss on the week, Okeelanta (9-6) is challenging Mace Sod (9-4) for second place in the A Division. The first four teams go to the playoffs in that division.

Wes Goodale opened the Okeelanta scoring drive against Mace Sod in the second inning with a one out homerun.

He was followed by Sam Howell, who singled. Herbie Giese advanced him with a single and

Howell scored on a single by Mike Burkett.

Coltner struck out and Donnie Hilyer grounded to short to end the inning.

Mace Sod tied it up with a two-run bottom of the third inning.

Brandon Markham reached base on a one out single and Gary Bradshaw walked with two outs to put runners at second and first.

Steve Richey's single drove in Markham and Bradshaw scored on a single by Steve Schneider. Craig Kistib flew out to right to end the inning at 2-2.

Okeelanta broke the tie in the fourth when Goodale hit a solo shot, the second of three consecutive homers he would hit that night.

While Okeelanta's Donnie Hilyer held Mace Sod scoreless for the rest of the game, his team

mates went about running up the score.

Three more Okeelanta batters crossed the plate in the fourth after Cadell's homerun.

Howell, Giese and Burkett, who all reached on singles, scored to drive the score up to 6-2.

Coltner drove Howell in with a single, Hilyer sacrificed to score Giese and Jack McClain drove in Burkett with a single.

In the fifth, Roberson singled to lead off the inning. Goodale's third homerun of the night, with one out, put Okeelanta up 8-2.

Three more Okeelanta runs in the sixth made the score 11-2.

Coltner, Hilyer and Roberson, all on base with singles, scored on singles by Marc Oxford and Goodale and a walk issued to Howell.

Three runs in the seventh put Okeelanta ahead by the final score of 14-2.

Turkett, on first with a lead-off single, was driven around by singles by Hilyer and McClain. Mack drove him in with a single and Roberson drove in Hilyer.

A sacrifice to shortfield by Oxford drove in McClain.

In other A Division games, Glades Sugar beat Mace Sod 14-2 the same night; Glades Sugar also beat the All Stars 15-5 and Bobby Canipe 18-6. Bobby Canipe lost to Mace Sod 14-2.

The All Stars beat Okeelanta 12-8, but lost to Carter Chevrolet 12-7. Carter Chevrolet and the All Stars are battling it out for the fourth playoff spot in that division.

Okeelanta shut-out Carter Chevrolet 7-0, and Carter Chevrolet defeated Glades General 9-4.

Glades may get

ASA softball district

By JEFF BROWN

Barring a negative vote by the Amateur Softball Association district commissioners, the Glades could be the site of a new ASA sub-district next year, according to R.L. Landers, the district four commissioner.

Landers, calling the vote on the matter a formality, said the new sub-district would be planted in western Palm Beach County and include Belle Glade, South Bay and Pahokee.

He said he could not

speculate on who would be named director of the new sub-district, adding that the teams in the area would have a say on the matter.

"It looks real good," he said of the proposed sub-district's chances in the referendum.

Former CDS coach

to coach regional

team at games

Donald Gus Harmon, former baseball coach at Belle Glade Christian Day School, was appointed by the United States Olympic Committee to coach the South Squad in the National Sports Festival in Indianapolis, Indiana, July 25-31.

Harmon coached the Christian Day School baseball team from 1979 to 1981. The team went to the state championship in 1981.

Harmon has also been assistant baseball coach at Delta State University in Cleveland, Mississippi.

Recently that team finished third in the nation at the NCAA Division II College World Series in Riverside, California.

The 16-man Olympic teams from the East,

West, North and South, are made up of the top 16 year old high school seniors and college freshmen who are eligible for the 1984 United States Olympic baseball team.

The teams will play round robin competition at the 33-sport National Sports Festival.

To select the 54 athletes from among one million eligible candidates, the United

States Baseball Federation screened players in the age bracket through the use of a specially designed test.

Testing was administered by coaches across the nation. The results and players' individual statistics were placed into a computer which ranked the players statistically by

position and geographic region, according to Harmon.

The 1984 summer games in Los Angeles, California, will be the first Olympic games to include baseball as an event.

B Division

E.F.E. moves into 2nd spot

By JEFF BROWN

BELLE GLADE - Everglades Farm Equipment continued to roll towards a play-off berth last week when it defeated the Seminole Supply Oldtimers 3-1 and edged ahead of Theo's in the race for second place in the B Division.

The Oldtimers gathered eight hits from Everglades Farm's pitcher Webb.

E.F.E. jumped to an early 2-0 lead in the first. Timmy Lester hit a single into center field to lead off the top of the inning. Wayne Meadows, batting in the number three spot, singled into right.

A series of errors and overthrows scored Lester from first on the play.

Tom Doney received a free pass from Oldtimer pitcher Perry Ridgion and Raymond Cunningham's grounder to the shortstop scored Meadows from third.

Mayon McMullen singled into left, but the inning ended when Robert Throckmorton grounded to shortstop Willie Lee.

Gene Dodgen singled to left off the Seminole half of the first, but Webb retired the side in order after that, leaving Dodgen stranded at first.

Barry Underwood tripled to left field to lead off the top of the second.

He scored when the next batter, shortfielder Joe Alba, singled into right.

Ridgion faced three more batters, picking up three outs to end the inning.

Two Oldtimers reached base in the second. Richard Gill on a one out single up the middle and Wilford Markham on a walk.

Ridgion shut-out Everglades Farm through the last five innings, giving up two hits each in the third and fifth and one hit in the sixth and seventh innings.

The Oldtimers failed to come back and win the game despite Ridgion's sterling pitching performance after the first two innings.

They gathered two hits in the second and third innings and finally hit pay-dirt in the fifth when they collected their only run of the game on two hits.

Burner hit a one-out single into left field and scored when Dodgen tripled into right field. Webb recovered and retired the next two batters to end the inning, however.

He retired the last six Oldtimers he faced to end the contest and win the game 3-1 for Everglades Farm Equipment.

E.F.E. and Theo's were tied at second place for about a month. Duda leads the B Division.

The top three teams enter the play-offs in that division at the end of the regular season.

In other B Division action, it was Duda over Ag Service 12-0. Everglades Farm swept a double header against Quaker Oats, winning the first game 13-1 and the second 16-6.

Players of the Week

First basemen lead teams

BELLE GLADE - Two first basemen are the players of the week.

Mickey Freeman, of Glades Sugar, gathered nine runs batted in, and scored ten runs in a week which saw him go nine for 10 at bats and his team recapture first place in the A Division.

In the 14-2 rout of Mace Sod, Freeman hit two homers in two trips to the plate, collected two RBIs, walked once, reached base on a fielder's choice once and scored four runs.

Bobby Canipe walked him twice and

allowed him to single and triple, driving in three runs on the night. He scored three times and sacrificed once in that game.

Against the All Stars, he went five for five, with a double and four singles. He scored three runs and batted in four.

Mayon McMullen, first baseman for Everglades Farm Equipment, went two for three against Seminole Supply, hitting two singles, and picking up one RBI.

In a double header against Quaker Oats, he went five for nine, hitting four singles and one triple. He drove in six runs and scored five.
